Pursuant to Federal Rule of Civil Procedure 6(b)(1)(A) and Local Rule 7-12, the Parties hereby stipulate to and request that the Court continue the date to file the Opposition and Reply papers as set forth below or as nearest the dates as is convenient to the Court.

25 (1) Opposition papers shall be filed and served no later than October 24, 2014;
26 (2) Reply papers shall be filed and served no later than October 31, 2014.

The Parties agree that the requested continuance is in the interest of judicial economy and will allow the Parties to prepare efficient briefs for the Court.

The parties have agreed to an informal conference in an attempt to achieve a global resolution of the remaining issues in this matter, including the issues raised in Plaintiff's motion. Such a resolution would render this current motion moot. Due to the schedule of counsel, it is anticipated that the conference will take place during the first two weeks of October.
